## Patient Guidelines

- In order to receive maximum benefit from your rehabilitation program, it is of utmost importance that you attend your therapy appointments and follow home instruction.
- We request that if you are unable to keep your appointment that you notify the secretary 24 hours prior to your scheduled appointment.
- It is your responsibility to schedule your appointments at least one week in advance.
- Please be aware that your appointments may generally be on any day of the week and do not have to be set up in a specific pattern. For example, if you are to receive treatment three times weekly, the appointments do not have to be scheduled on Monday/Wednesday/Friday.
- It is your responsibility to inform staff members including secretaries in advance of any physician appointments.
- You are subject to be discharged from our services after three missed appointments (within a four-week period).
- Your cooperation is appreciated. We look forward to working with you and obtaining optimum outcomes from your rehabilitation program. This form has been fully explained to you and you understand it.
